### **TAYLOR COUNTY REDISTRICTING COMMISSIONER, JUSTICES OF THE PEACE AND CONSTABLE BOUNDARY CHANGES**

The Taylor County Commissioners' Court approved and adopted new 10-year boundaries for Commissioners, Justices of the Peace and Constables in Taylor County. The new boundaries were based on population changes identified by the 2020 U. S. Census.

New boundary changes are as follows;

- Precinct 401 is moved to commissioner precinct 2 to increase commissioner 2 precinct population.
- A small portion of precinct 404 is moved to precinct 201 to increase commissioner 2 precinct population.
- A portion of precinct 306 from Maple Street going to the east is moved to commissioner precinct 4 to increase commissioner 4 precinct population.

These boundary changes were necessary to achieve equal representation in each commissioner precinct in accordance with redistricting guidelines.
